Dear Mississippi Dixielanders,

Apologies for taking so long to write but it's been manic at this end!

However we had to write to say a massive THANKYOU for your musical contribution at our wedding blessing back in August at Kenwick Park, Louth. We had lots of our guests come up to us for days after asking about you guys and where you were from.

Truly superb choice and range of musical scores.....everyone told us afterwards how much they thoroughly enjoyed the jazz and how it complimented the drinks on the lawn!! It certainly left an impression on everyone and that's exactly what we wanted.

Thanks for the memories. Keep up the hard work and good luck for the future.

Yours
Sincerely

Nigel S. Mann and M. L. Mann.
